

**PRESS RELEASE**

**Margherita Cosulich.  
The latest addition to  
our bunker tankers fleet.**

### The latest addition to our bunker tankers fleet.

Fratelli Cosulich welcomes the bunker tanker “Margherita Cosulich”.

She is a 7994 dwt vessel, built in 2019, sister ship of our Emma Cosulich.

She is equipped with two mass flow meters, and therefore she is ready for dual grade bunker delivery operations.

She is the sixth bunker tanker in our fleet, purchased with the intention to increase and also improve our fleet profile, by adding a new and modern tanker.

Here following the list of the bunker tankers fleet operating in Singapore' bay:

Vessel Name	Year of building	Year of Purchase	DWT
Maria Cosulich	2005	(Built under commission by FCBS)	7.032
Luisella Cosulich	2012	2017	3.970
